

Best in Air Force Food Service to be Honored at Hennessy/Hill Breakfast

The Air Force will formally recognize the winners of its John L. Hennessy Awards — acknowledging the hard work and culinary skill of the service's foodservice professionals — during its Hennessy/Hill Awards Breakfast Ceremony, held annually in conjunction with the National Restaurant Association (NRA) Restaurant, Hotel-Motel Show.

This year's ceremony will take place on Saturday, May 16, at the Sheraton Chicago Hotel and Towers. It will mark the second straight year in which the Marine Corps will join the Air Force in recognizing the winners of its Maj. Gen. W.P.T. Hill Memorial Awards for excellence in Marine Corps food service.
